

FAIRVIEW PARK YOUTH ASSOCIATION
ELMER T. ETZLER MEMORIAL SCHOLARSHIP APPLICATION
FAIRVIEW HIGH SCHOOL GRADUATING SENIOR

Dear Applicant:

For many years, the Fairview Park Youth Association has been awarding post-secondary education scholarships to deserving Fairview High School graduating seniors.

In 2008, the city of Fairview Park lost a very special person in, Elmer T. Etzler, longtime Fairview Park Recreation employee and teacher at Messiah Lutheran. Mr. Etzler, or “Mr. E”, as the children called him, was Assistant Recreation Director from 1967-1972 and Recreation Director from 1972-1988. When Mr. “E” was Director, it was a part-time position with full-time responsibilities. At its peak, he oversaw a program that had over 20,000 participants, including 120 baseball teams in 13 leagues, and 110 different activities ranging from tennis and basketball, to arts and crafts. He did this while also teaching and coaching full-time at Messiah Lutheran.

Throughout his years as Recreation Director and educator, Mr. Etzler encouraged our children to work hard in the classroom and athletic field, but to always display positive sportsmanship. This was a lesson that many of his former players and students have said helped them become better people and that they have passed on to others.

To honor his loyalty and tireless dedication to our community, the Fairview Park Youth Association has created a \$1,000 scholarship in his name. The scholarship will be awarded to a graduating senior who participated in athletics at Fairview High for three years and who intends to pursue an athletics-related course of study at the post-secondary level.

Please take the time to thoughtfully consider and accurately complete the attached Elmer T. Etzler Memorial Scholarship application.

Please review the following instructions:

1. We strongly recommend that the application be typewritten.
2. You are required to complete a short essay that you must attach to your completed application.
3. Please return the completed application and essay to the Fairview High School Guidance Office by *April 19th*.
